

Micronutrients (Sulphated & Chelated)

Product Name	MOQ (LTR/KG)
Copper Sulphate Crystals/Powder	200
Manganese Sulphates (Monohydrate) 31% -32%	200
Zinc Sulphate (21%)	200
Mono Zinc (33%)	200
Ferrous Sulphates Mono (30%)	200
Ferrus Ammonium Sulphate	200
Magnesium Sulphates (9.6%)	200
Cobalt Sulphate	200
Chelated Zn	200
Chelated Fe	200
Chelated Cu	200
Chelated Mg	200
Chelated Mn	200
Chelated Ca	200
Chelated fe 6% (EDTA)	200
Cobalt EDTA	200
Ammonium Molybdate	200
State wise Grade Mix Micronutrient Soil Application	200
Amino Chelated mixture (Combi) For Foliar Application State Wise Grade	200
Orthosilicic Acid	200
Liquid Micronutrients	200
Deca Hydrate Boron - 10.5% For soil application	200
Octo Borate (Bo-20%) For Foliar Spray	200

Solvents

Product Name	MOQ (LTR/KG)
MS	200
Acetone	200
IPA	200
DMF	200
Tulsi oil	200
C-9	200
Ethenol	200
DMF (Imported)	200
Tween 80	200
Glycerine	200
Lactic Acid	200
Sorbitol 70%	200
Slurry 90%	200
Citric Acid	200
Glycerine	200
Acid Slurry	200
NAOH	200
KOH	200
Emusifier (9.5 & 4.5)	200
Emusifier for oils	200

- Quality Assured
- Scientifically Formulated
- Crop Safe
- Higher Yield
- Sustainable Solutions

B2B MARKETING

Trusted Bulk Supplier of Premium Agri Inputs

- Raw Material Supply Customize
- Product Manufacturing
- Co-Branding & Co-Marketing
- Contract Manufacturing Services
- Formulation Development Brand
- White Label Packaging Solutions
- Importer Manufacturing Bulk Supply (B2B)

AGRI-GEN

— INNOVATION —

COMPANY OVERVIEW

WELCOME TO AGRI-GEN INNOVATION

AGRI-GEN INNOVATION is a leading agricultural manufacturing and marketing company specializing in certified organic agro inputs. We operate across multiple channels, including retail, wholesale, bulk supply, exports, and B2B distribution, ensuring wide accessibility and strong market presence. Agri-Gen Innovation (**The power House of Organic Products**) is an ISO 9001:2015 certified organization, committed to delivering consistent quality and reliability.

WHY US ?

- Premium Quality Agricultural Inputs
- Innovation Driven Solutions
- Farmer Focused Approach
- Consistent Product Performance
- Sustainable Agriculture Vision
- Strong B2B Supply Network
- Trusted Long-Term Partnership
- Transparent & Ethical Dealings
- Competitive Pricing
- Excellent Logistics Support

MISSION

To drive next-generation agriculture through advanced agri-tech solutions, delivering innovative and high-quality products that address real field challenges. We are committed to ethical business practices, continuous research, and farmer-focused services, aiming to become a market leader in complete plant nutrition. We believe in quality, people empowerment, and strong market connectivity for sustainable growth.

VISION

To transform nature's intelligence into sustainable and resilient agriculture through science-driven innovation. We empower farmers with advanced solutions that enhance productivity, restore ecosystems, and ensure long-term soil health. Our goal is to be a trusted leader in agri-innovation, driving responsible growth and a sustainable future for generations.

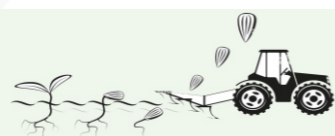

OUR CORE VALUES

- Quality Without Compromise
- Trust
- Accountability
- Honouring Everyone
- Environmental & Social Responsibility

CORE PURPOSE

Delivering Excellence that Brings Smiles to Farmers

NOURISHING GROWTH, BUILDING PARTNERSHIPS

Naturally. Responsibly. Profitably.

Unique Formulated Product

Product Name	MOQ (LTR/KG)
Nano technology High Concentrated Liquid (5ml/30ltr)	25/50
Nano technology High Concentrated Powder (40gm/Acre)	25/50
Organic fungicide Liquid 3 in 1 (Antifungal, Antibacterial, Antiviral)	200
Organic fungicide & Bactericide Powder	100
Growth & Flowering Stimulant	200
Potassium Fulvic Humate Microgranules (imported)	200
Potassium Humate powder 90% (imported)	200
All Sucking pests Organic	200
All Larvicide Organic	200
Potassium salt phosphonic acid based Liquid fungicide	200
Potassium salt of phosphate Powder	200
Ovicide (Antirepellent, Antifeedant)	200
pH balancer	200
Plan Sticker	200
Silicon based spreader (As per Dose)	200
Virus Controller	200
Specific Formulations (onion special, ginger & turmeric special, tomato special, cotton special)	200

Raw Material (PGR)

Product Name	MOQ (LTR/KG)
Super potassium Humate 98% Flakes	200
Potassium Humate powder Garde 1	200
Potassium Humate powder Garde 2	200
Fulvic Acid 80%	200
Amino 50% Compound Base	200
Amino 80% Powder Soya Base	200
Organic Seaweed extract Powder Grade 1	200
Organic Seaweed extract Powder Grade 2	200

Natural Oils & Extracts

Product Name	MOQ (LTR/KG)
Neem oil	200
Karanj oil	200
Castor oil	200
Tulsi oil	200
Custurd oil	200
Clove oil	200
Musturd oil	200
Custard Apple oil	200
Combination Of Neem/Karanj/Castor	200

Soil Fertilizer

Product Name	MOQ (LTR/KG)
HAFS Round ball/ Shiny ball Granules	200
Humic acid Granules (Black Granules)	200
Customize Granules (As per Fco)	200
Plan Bentonite Granules	200
Coated Bentonite Granules	200
Organic manure Granules	200
Neem based fertilizer	200
Silicon Granules /Silicon Powder (soil /spray)	200
Secondary Nutrients(C:M:S) Granules	200

Hormones

Product Name	MOQ (LTR/KG)
Vitamins	As Per Requirement
Auxins	
GA	
Cytokinins	
NATCA	
Atonic	
DA 6	
6BA	

Our Bulk Range

- Organic Fertilizers
- Chelated & Sulphated Micronutrients
- Bio Organic Plant Protector
- Bio Pesticides & Pesticides
- Bio Plant Growth Promoters
- Spreaders, Stickers & pH Balancer
